MS-CFM

Premium face masks custom design

OVERVIEW

Designed to fit most face shapes and sizes, the reusable MS-CFM custom-design masks offer an economical yet outstanding protection against dust particles. Made in USA, the MS-CFM masks improve hygiene and reduce the risk of infection, all while showcasing your unique personality.

FEATURES

- ✔ Two-ply premium 100% MicroPoly (4.1 oz) fabric; super-soft fabric with comfortable elastic loops
- ✔ Reusable, machine wash and tumble dry; quick-drying with superior moisture management
- ✔ Available in multiple sizes to fit most adults and is proudly made in the USA with quick turnaround time
- ✔ Designed according to CDC recommendations to help combat the spread of COVID-19

CUSTOM DESIGN

Create your or your company's unique identity by designing your face mask from scratch.

COMFORT

Light-weight, protects against dust particles, and comfortable to wear even for long hours.

HIGH VOLUME

High-volume manufacturing to ensure supply. Capacity to produce 1 million units per month.
